KSPC FM at Pomona College supports the settlement published in the Federal Register on November 5, 2014 that has been negotiated between CBI and SoundExchange for 2016 - 2020, and we urge the Copyright Royalty Board to accept the settlement. We believe that the terms of the agreement represents KSPC's interests as a Noncommercial Educational Webcaster (NEW) with modest funding, and that the agreement provides a reasonable basis for setting statutory terms and rates.

The proposed terms and rates are very similar to the current statutory license for NEWs, and the current license terms and rates have been appropriate and affordable; we do not anticipate any significant change to our webcasting operation during the 2016 - 2020 statutory license period that would conflict with the proposed terms and rates.

Respectfully submitted,
